* *Items which are not stocked at the School Shop* + *Items which are stocked at the School Shop and also available elsewhere*

The Sixth Form games clothing items are the minimum requirements for a student starting at the beginning of the autumn term. Once the student has become involved with games and PE they can come to the shop to purchase what they need. Pupils at this level often play in the top teams for sport and will wear different kit than junior pupils (available from PE Staff).

NAMING CLOTHING

All items must be clearly named, including shoes.

PE and games kit should be named inside and outside. Shorts and trousers on the left hand pocket/leg and polo shirts and tops on the left hand breast.
