

KING WILLIAM'S COLLEGE

Summer Term Boarding Experience 2022

“Experience a British boarding school during term time in a beautiful location”.

Introduction

The King William’s College Summer Term Boarding Experience provides intensive English tuition, with a range of other academic subjects, and total immersion into the school community. This will be complemented by a full leisure programme of sports, activities and excursions.

This unique course provides an opportunity for students aged 13 to 16 to join a fully functioning school. It is designed to empower students to experience boarding school life and discover if they would enjoy studying away from home longer term. The course will run from Wednesday 8th to Tuesday 28th June 2022. Place numbers are limited.

Each student will have approximately 35 hours English tuition over the course, which will aim to:

- Improve spoken and written English
- Develop vocabulary
- Enhance listening and pronunciation
- Build confidence and fluency

The Summer Term Boarding Experience is suitable for students who are preparing for (I)GCSEs, A levels or the IB Diploma, are thinking of entering a British boarding school or are looking for an interesting and rewarding holiday, whilst improving their English.

In the first and second week, students will attend English lessons in the mornings, followed by activities in the afternoon.

In the third week, the students will be integrated into regular subject lessons with our current students, according to their age and ability.

*“I had the most amazing time, I met some wonderful people.
I learnt new things about the British culture and some
grammar. The teachers were all really open and kind to
everyone, always ready to make us feel at home.
I would totally recommend King William’s College.
It’s an extraordinary place”.*

R ecreational Programme

King William’s College is situated in a very special location, right next to the beach. The Isle of Man is beautiful, healthy and safe with stunning scenery.

We have extensive grounds available for Sport; a gym, sports hall, all weather pitches, tennis courts and a swimming pool. In addition, we have a Theatre and Music School.

After the morning study periods students can enjoy a full programme of activities and excursions, organised by experienced, well-qualified staff, for example, a tour of the Island and a visit to the famous Laxey Wheel. In the evenings they can relax and get to know the other students.

A

ccommodation and Meals

Houseparents look after boarders in separate on campus girls' and boys' boarding houses and are supervised 24 hours a day. We have excellent pastoral care with supportive and caring staff. Over 20 staff live on site.

Bedrooms are usually allocated on an age basis, with some sharing in mixed nationality bedrooms. The bedrooms are comfortable and well-equipped.

There are three hot meals a day for students, provided in the dining hall. The food is offered as a hot and cold buffet selection and includes fresh vegetables, fruit and desserts. There is plenty of choice, so all diets are catered for.

A resident nursing team is available for any medical issues which may arise.

“The time I spent at King William’s College was fantastic!

Before I arrived I had no idea what boarding would be like. I couldn’t imagine the English girls and I together as friends in a classroom, not because I expected them to be different, but because I was afraid that I wouldn’t have the confidence.

But now, at the end of three weeks, I have had a change of heart. My opinion of boarding is different and I’m really going to miss all the girls. I have got used to the place and feel at home. I listened to lots of stories and I was surprised by the relationship between boarders and their tutors.

Apart from improving my English, I also learned about boarding, for example, to be independent from your family and to try and solve problems on your own, how to get on with people and how to organise yourself and get up in the morning!

If I look back to the moment I sat on the plane and was afraid of what it was going to be like, I have to laugh.”
