The School

King William's College

Opened in 1833, King William's College is set in a stunning coastal location on the Isle of Man. It is a unique school in a very special environment. This independent boarding and day school for girls and boys aged 11 to 18 is one of the most established International Baccalaureate schools in the British Isles. It is vibrant, friendly and fun, and whether you are from the Island or from far afield, you will bond with this special place.

With 37.1 acres of inspiring space; 19th Century architecture, five rugby pitches, four football pitches, three cricket pitches, floodlit astroturf, sports hall, swimming pool, landscaped gardens, two boarding houses and a chapel large enough to accommodate the whole school, King William's College is truly a special place.

The Buchan School

In recently restored buildings on the King William's College site, The Buchan School offers a supportive and caring environment, where pupils are encouraged to develop their own individual talents.

Our curriculum is unique with a strong focus upon academics: Art, Music, Drama, Languages and a range of Sports. Class sizes are small and our pupils are taught by subject specialist teachers throughout the curriculum to ensure that they reach and exceed their potential. The Buchan School has developed an excellent reputation for academic excellence and achievement in both sport and the performing arts. The school consists of three departments: Nursery, Pre-Prep (Reception to Year 2) and Prep (Year 3 to 6).

We provide a broad range of opportunities for all our pupils, not only within the classroom, but also by taking full advantage of our incredible school grounds and the beautiful Isle of Man. At the Buchan, you will find a community buzzing with happy children, developing lively, independent and enquiring minds, guided and encouraged by outstanding teaching staff throughout the curriculum.

The Buchan Nursery

At The Buchan Nursery, we strive for the happiness of every child through a secure, friendly and caring environment. Nursery is where your child's education begins and a love of lifelong learning is established. Nursery education should be an extension of home life where children gain experience and confidence through play. We will work with you to provide the opportunities for your child to take the first gentle steps to making them independent learners.

Our philosophy at The Buchan Nursery is to learn and play in a nurturing environment that provides the stepping stones for every child to fulfil their potential.

At the Buchan Nursery, we recognise that every child is a competent learner and we endeavour to support children in becoming resilient, capable, confident and self-assured. We value the diversity of individuals and recognise that children develop in individual ways and at varying rates.

The Physical Education and Games Department

The Physical Education and Games Department is one of the largest in the College and has an outstanding reputation both in terms of its academic results and the standard at which sport is played throughout the school. In Years 7-9 pupils participate in a comprehensive programme of PE and Games which develops the essential skills required for lifelong participation in physical activity. This continues into Years 10-11, and a significant number of pupils choose PE as one of their GCSE options, where the department teaches to the WJEC syllabus.

In the Sixth Form, in 2012 the College became one of the first schools to start teaching the new IB subject of Sports, Exercise and Health Science, which has proved a very popular and successful option. In addition to their academic studies, all Sixth Form pupils also take part in a compulsory Games session once a week.

The school has a strong tradition in sport, competing both on and off the Island in the major boys' games of rugby and cricket and on Island in the other competitive sports. Many other sports are also played in the College and in addition to the department's specialists, a number of the Common Room contribute to the Games sessions and the coaching of teams. There are also regular tours overseas, the most recent being a very successful rugby tour to Australia in Summer 2023. With an upcoming pre-season training camp scheduled for late Summer 2026 to Fuerteventura.

King William's College recently became accredited to deliver the TASS (Talented Athlete Scholarship Scheme) Dual Career programme which helps high-performing athletes aged 16+ to balance their studies with a demanding sporting schedule.
