The School

King William's College

Opened in 1833, King William's College is set in a stunning coastal location on the Isle of Man. It is a unique school in a very special environment. This independent boarding and day school for girls and boys aged 11 to 18 is one of the most established International Baccalaureate schools in the British Isles. It is vibrant, friendly and fun, and whether you are from the Island or from far afield, you will bond with this special place.

With 37.1 acres of inspiring space; 19th Century architecture, five rugby pitches, four football pitches, three cricket pitches, floodlit astroturf, sports hall, swimming pool, landscaped gardens, two boarding houses and a chapel large enough to accommodate the whole school, King William's College is truly a special place.

The Buchan School

In recently restored buildings on the King William's College site, The Buchan School offers a supportive and caring environment, where pupils are encouraged to develop their own individual talents.

Our curriculum is unique with a strong focus upon academics: Art, Music, Drama, Languages and a range of Sports. Class sizes are small and our pupils are taught by subject specialist teachers throughout the curriculum to ensure that they reach and exceed their potential. The Buchan School has developed an excellent reputation for academic excellence and achievement in both sport and the performing arts. The School consists of three departments: Nursery, Pre-Prep (Reception to Year 2) and Prep (Year 3 to 6).

We provide a broad range of opportunities for all our pupils, not only within the classroom, but also by taking full advantage of our incredible school grounds and the beautiful Isle of Man. At the Buchan, you will find a community buzzing with happy children, developing lively, independent and enquiring minds, guided and encouraged by outstanding teaching staff throughout the curriculum.

The Buchan Nursery

At The Buchan Nursery, we strive for the happiness of every child through a secure, friendly and caring environment. Nursery is where your child's education begins and a love of lifelong learning is established. Nursery education should

be an extension of home life where children gain experience and confidence through play. We will work with you to provide the opportunities for your child to take the first gentle steps to making them independent learners.

Our philosophy at The Buchan Nursery is to learn and play in a nurturing environment that provides the stepping stones for every child to fulfil their potential.

At the Buchan Nursery, we recognise that every child is a competent learner and we endeavour to support children in becoming resilient, capable, confident and self-assured. We value the diversity of individuals and recognise that children develop in individual ways and at varying rates.
